Click Create an account. Clicking the button means that you agree with GitHub’s Terms of Service and the Privacy Policy. For more information, click on the links provided.

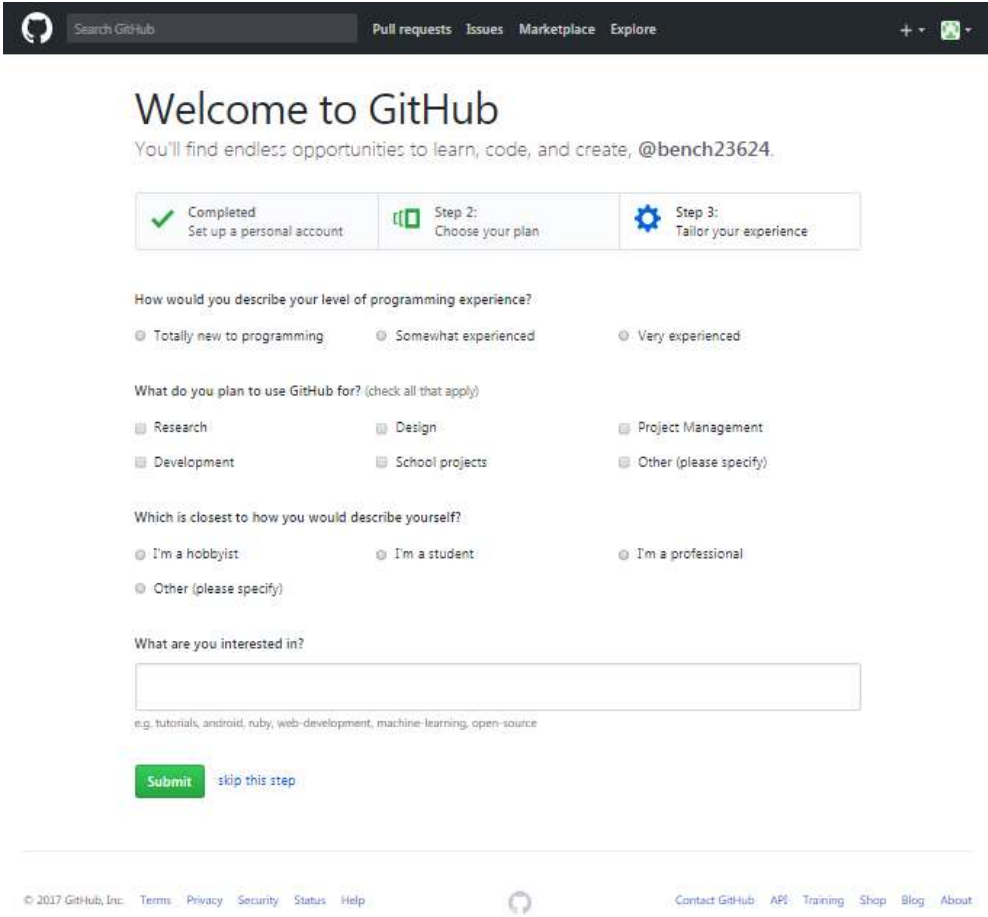

Step 3

Choose a plan. You have two choice: Free and paid, the paid version has private repositories with \$7/month. You should try the free version then have the suitable choice.

Step 4

Tailor experience. If you have time, fill in the survey or skip it.

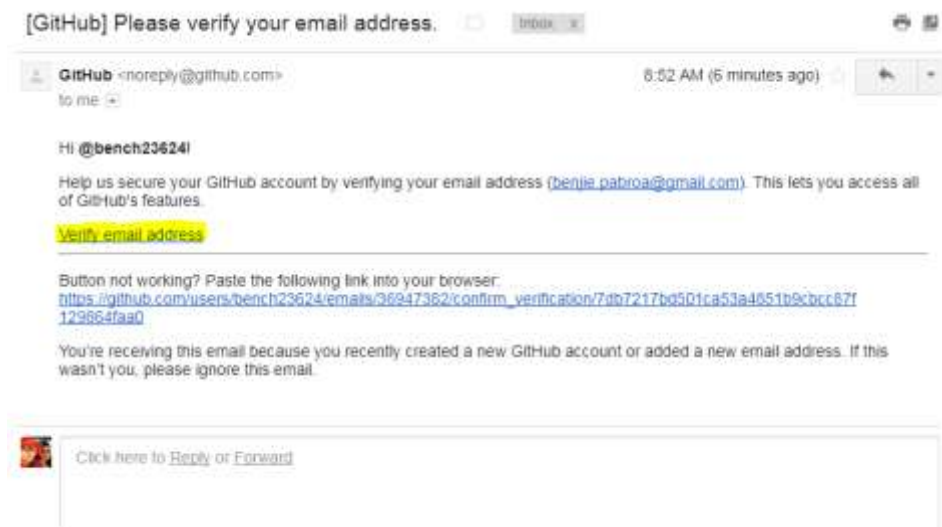

Step 5

You finished! Your Github account created! But last thing that you must do, verify your account.

Step 6

Go to your email address, and select on the email sent by GitHub. Click the verify email address

Git hub confirms that your email is now verified.
